Summary

For Council to be advised of the Shires Municipal Account and Investments.

Background

To invest the Shire of Ngaanyatjarraku surplus funds with consideration of risk and at the most favourable rate of interest available to it at the time, for that investment type, whilst ensuring that liquidity requirements are being met.

Comment

Preservation of capital is to be the principal objective with consideration given to liquidity, cash flow requirements and return on investments.

Preservation of capital is the principal objective of the investment portfolio. Investments are to be performed in a manner that seeks to ensure security and safeguarding the investment portfolio. This includes managing credit and interest rate risk within identified thresholds and parameters.

The investment portfolio will ensure there is sufficient liquidity to meet all reasonably anticipated cash flow requirements, as and when they fall due, without incurring significant costs due to the unanticipated sale of an investment.

The investment is expected to achieve a predetermined market average rate of return that considers the Shire's risk tolerance. Any additional target set by the Shire will also consider the risk limitation and prudent investment principles.

Better rates have been received through a quotation process with the Westpac and Commonwealth Bank and as such funds have been deposited with the bank providing better interest rates. Westpac Business Premium Reserve Account has also been opened with the intention of keeping surplus operating funds in this bank account yielding higher interest income. Money is also held in Westpac's 31-day Notice Account. These funds are mainly from the Commonwealth's FAGS 2023-2024 and Roads Grants paid in advance along with Shire reserve accounts.

Attached is a copy of the Shire Investment Register recording the details of these longer-term investments.

Reporting Officer:	David Mosel, Chief Executive Officer
Date Report Written:	20 September 2024
Disclosure of Interest:	The author has no financial, proximity, or impartiality interests in the proposal.
Voting Requirement:	Simple Majority

Background

The Local Government Amendment Act 2023 introduced a range of electoral reforms that came into effect prior to the 2023 Local Government ordinary elections:

- the introduction of Optional Preferential Voting (OPV);
- extending the election period to account for delays in postal services;
- changes to the publication of information about candidates;
- backfilling provisions for extraordinary vacancies after the 2023 election;
- public election of the Mayor or President for larger Local Governments;
- abolishing wards for smaller Local Governments; and
- aligning the size of councils with the size of populations of each Local Government (change to representation)

Following requests from several Zone's, WALGA undertook a comprehensive review and analysis of 5 ordinary election cycles up to and including the 2023 Local Government election against the backdrop of these legislative reforms. The review and report focused on postal elections conducted exclusively by the Western Australian Electoral Commission (WAEC), with the analysis finding evidence of the rising cost and a reduction in service of conducting Local Government elections in Western Australia.

Comment

The Elections Analysis Review and Report was presented to State Council 4 September 2024, with State Council supporting a review of WALGA's Local Government Elections Advocacy Positions.

WALGA is requesting Councils consider the current and alternative Elections Advocacy Positions and provide a response back to WALGA for the December 2024 State Council meeting.

WALGA State Council current advocacy positions:

The following is a summary of WALGA's current Advocacy Positions in relation to Local Government Elections:

2.5.15 ELECTIONS

Position Statement	<p>The Local Government sector supports:</p> <ol style="list-style-type: none">1. Four-year terms with a two-year spill2. Greater participation in Local Government elections3. The option to hold elections through:<ul style="list-style-type: none">• Online voting• Postal voting, and• In-person voting4. Voting at Local Government elections to be voluntary5. The first past the post method of counting votes <p>The Local Government sector opposes the introduction of preferential voting, however if ‘first past the post’ voting is not retained then optional preferential voting is preferred.</p>
Background	<p>The first past the post (FPTP) method is simple, allows an expression of the electorate’s wishes and does not encourage tickets and alliances to be formed to allocate preferences.</p>
State Council Resolution	<p>February 2022 – 312.1/2022 December 2020 – 142.6/2020 March 2019 – 06.3/2019 December 2017 – 121.6/2017 October 2008 – 427.5/2008</p>
Supporting Documents	<p>Advocacy Positions for a New Local Government Act WALGA submission: Local Government Reform Proposal (February 2022)</p>

State Council Resolution	<p>February 2022 – 312.1/2022 March 2019 – 06.3/2019 December 2017 – 121.6/2017</p>

2.5.18 CONDUCT OF POSTAL ELECTIONS

Position Statement	<p>The Local Government Act 1995 should be amended to allow the Australian Electoral Commission (AEC) and any other third-party provider including Local Governments to conduct postal elections.</p>
--------------------	---

Background Currently, the WAEC has a legislatively enshrined monopoly on the conduct of postal elections that has not been tested by the market.

State Council Resolution May 2023 – 452.2/2023
 March 2019 – 06.3/2019
 December 2017 – 121.6/2017

(b) The sector supports Optional Preferential Voting (OPV) as the preferred voting method for general elections.

4. INTERNAL ELECTIONS

As per the current legislation with no change – Class 1 and 2 local governments directly elect the Mayor or President (election by electors' method), with regulations preventing a change in this method.

Return to previous legislated provisions – all classes of local governments can decide, by absolute majority, the method for electing their Mayor or President.

Apply current provisions to all Bands of Local Governments – apply the election by electors' method to all classes of local governments.

Note 9: Payables	Trade and Other Payables
Note 10: Rate Revenue	Rating Information

Once completed, this new monthly reporting will reflect the financial statements format on a monthly basis and so minimise the annual financial statements procedure at year end.

Comments in relation to ‘timing’ variances for each monthly report refer to expenditure delays between the budgeted timings versus the actual costs once incurred.

Note: This report is an indicative result for 30 June 2024 closing YTD Actuals, as the end of year process is still being finalised.

‘Permanent’ variances to note as at month end are:

- Operating Grants - under budget, are yet to be received.
- Building Fees - over budget due to building applications for the Oz Minerals mine construction, noting that some is payable to the Building Commission.
